

The Homeless Veterans Walk-In Clinic is Moving!

The VA WALK-IN SCREENING CLINIC for Homeless Veterans is moving to SoDo, just south of downtown Seattle.

Our new address will be:

305 S. Lucile St., Seattle, WA 98108.

Although some of the other Homeless Programs staff will remain in Renton, we needed more space to accommodate our expanding programs in the new [Community Resource and Referral Center \(CRRC\)](#).

The CRRC will move to the new building the week of December 9th. [Clinical Services \(including screenings\)](#) are planned to begin the week of 12/16/19, with first screenings Tuesday, December 17th. And be on the lookout for new programs and services coming soon for our valued Veterans!

The new building, which we share with the Vet Center, is on Lucile between 4th and 3rd Avenue S.

Bus lines 131 and 132 are close by.
